

BELIZE MISSION TRIP

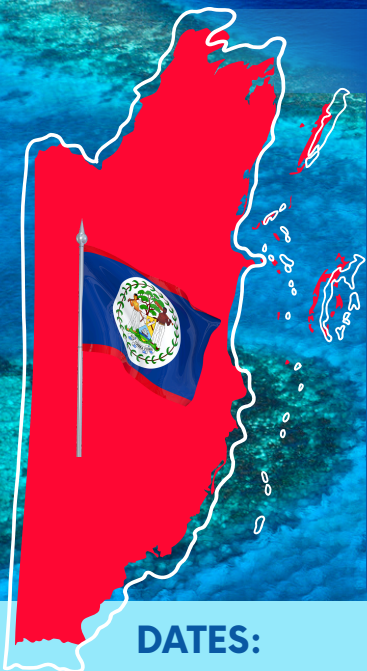

A beautiful, tropical country, **Belize** has miles of lush Caribbean Sea coastline and many islands. Belize also has many challenges with widespread poverty, limited medical care, and many people are not engaged in a local church.

Belizean pastors work very hard with limited resources and deeply desire to partner with mission teams to bless the people of their church and village. English is the official language and the people are resilient, resourceful, and cheerful. **A mission trip to Belize is a life-changing experience!**

RECREATION

Belize teams will enjoy a journey to the Mayan Ruins during their mission trip as the standard option for recreation.

We highly recommend that teams add on an optional night on Caye Caulker at the end of their trip - it's an amazing tropical island 20 miles off the coast. There, teams can snorkel on the second-largest barrier reef in the world!

Teams also have the opportunity to upgrade their recreation for an additional cost to one of the following options: Boat Eco Tour to Lamanai, Cave Tubing and Zip Lining, or a visit to Orchid Bay Resort.
